

Update

Ohio State is in the process of revising websites and program materials to accurately reflect compliance with the law. While this work occurs, language referencing protected class status or other activities prohibited by Ohio Senate Bill 1 may still appear in some places. However, all programs and activities will be administered in compliance with the law as of June 27, 2025.

Buckeye Careers

Through Buckeye Careers, Student Life provides a unified career services support model available to all students and employers. Buckeye Careers works in partnership with all university career-related services to help employers find the customized support they need, from creating a new internship program to connecting with students. Our career coaches help students clarify career goals and develop an individualized career plan.

Handshake

Handshake is Ohio State's comprehensive, web-based career services management platform to help employers find and engage with talented students for internship, co-op and career opportunities. Access Handshake at handshake.osu.edu.

What Can I Do With This Major?

Whether you are exploring majors or looking for more information about your chosen field of study, "[What Can I Do With This Major?](#)" is a valuable tool designed to help you connect your major and interests to career paths. This resource details the typical industries, career areas, and employers associated with each major and covers strategies aimed at making you a more marketable candidate after graduation. "[What Can I Do With This Major?](#)" is a free, virtual resource available to all Ohio State students.

Reid Family Career Closet

Dress professionally with the help of the [Reid Family Career Closet](#) . Having trouble finding clothes for your job, internship or interviews? The Reid Family Career Closet offers a variety of sizes and styles allowing you to mix and match or walk away with a complete outfit.

LinkedIn Learning

Looking to develop your skills outside of the classroom? Thanks to the Office of Human Resources, the Ohio State Wexner Medical Center and the University Staff Advisory Committee students have access to LinkedIn Learning, with a digital library of more than 18,000 courses covering a wide range of technical, business, software and creative topics. To access your free account, go to [LinkedIn Learning Login](#) and enter your Ohio State email address using the format, name.#@osu.edu and follow the prompts.

GoinGlobal

GoinGlobal career and employment resources include world-wide job openings, internship listings, industry profiles and country-specific career information. More than 30,000 pages of constantly-updated content is included on topics such as: work permit/visa regulations, resume writing guidelines and examples, employment trends, salary ranges, networking groups, cultural/interviewing advice, corporate profiles and worldwide job listings... plus much more!

To access GoinGlobal, go to [Handshake](#), click on Career Center > Resources.

Beyond Graduate School (BGS)

Beyond Graduate School (BGS) is an e-learning platform which includes on-demand videos to explore career options and learn job search strategies. Beyond Grad School (BGS) helps master's students through each stage of their job search, download workbooks and worksheets, as well as register for live webinars and events. This resource is free for all master's students, graduate faculty and graduate staff at The Ohio State University.

To access Beyond Graduate School (BGS), [go to their website](#) > select Ohio State University > enter your institutional login information.

Beyond the Professoriate (BTP)

Beyond the Professoriate (BTP) is an e-learning platform which includes on-demand videos to explore career options and learn job search strategies. In addition, students and post docs can download workbooks and worksheets, as well as register for live webinars and events. This resource is free for all doctoral students, as well as post docs, graduate faculty and graduate staff at The Ohio State University.

To access Beyond the Professoriate (BTP), [go to their website](#) > select Ohio State University > enter your institutional login information.

Summer Internship Housing

[The Ohio State University Events and Conferences](#) offers a unique 12-week summer housing program for interns, researchers, and other guests from Mid-May through the beginning of August. Participants do not need to be an Ohio State University student to enroll in our Summer Intern Housing Program. In fact, that is why this program exists, to offer affordable, short term housing for students across the world to support their learning at an internship and to support the students of OSU and their internships.

ScarletCanvas

ScarletCanvas is Ohio State's Learning Management System for public-facing, non-credit offerings. Learners can access free and paid offerings on a variety of topics, from Swift coding to public health and more. Access ScarletCanvas at scarletcanvas.osu.edu.

Quiet Room Reservation at the Keith B. Key Center

The Keith B. Key Center for Student Leadership and Service is located on the second floor of the Ohio Union. Students who need a quiet, private place to attend a virtual career fair or job interview are able to request access to a meeting room in the resource center. Current hours are [listed online](#). Use [this form](#) to request use of an individual meeting room.

Parker Dewey - Find Micro Internships and Gig Opportunities

Parker Dewey is a network of highly-motivated career launchers and business professionals working together on micro-internships. As a consulting firm, Parker Dewey helps companies more effectively complete tasks and improve hiring. They do this by contracting with college students and recent graduates who want to work on short-term, professional projects so that they can generate income while demonstrating capabilities and gaining practical experience. Find paid, short-term projects through [Parker Dewey's website](#).

*Please note: International Students are only legally authorized to work on short-term projects if the work occurs on-site/at the employer's physical location, related to their field of study and involves direct supervision. CPT will not be issued for remote or independent projects performed remotely.
