

Update

Ohio State is in the process of revising websites and program materials to accurately reflect compliance with the law. While this work occurs, language referencing protected class status or other activities prohibited by Ohio Senate Bill 1 may still appear in some places. However, all programs and activities will be administered in compliance with the law as of June 27, 2025.

Make a Career Coaching Appointment

Career coaching is an opportunity for all students to seek individualized advice and answers regarding careers, internships, graduate or professional school and transitioning from student to professional. Whether seeking academic, post-doctoral or non-academic careers, Graduate and Professional students can utilize coaching appointments. Our career coaches will help you clarify your goals, explore personal concerns and develop an individualized career plan. Students can also use career coaching to get feedback on resumes/CVs and cover letters, as well as practice interviewing skills.

To make an appointment, log-in to your [Handshake](#) account, click “Career Center,” and click “Appointments.” From there, you will be able to schedule an appointment with a Buckeye Careers coach. If you are unable to use Handshake to schedule an appointment, please send us an [email](#) and we can arrange an appointment with one of our career coaches.

All Ohio State undergraduate, graduate, professional and post-doctoral students have free access to Handshake through their @osu.edu email address. For questions regarding your Handshake

access, please contact handshake@osu.edu.
